HOW IT WORKS

SpeechSchool.TV is a subscription-based, Internet TV Channel that is the result of over 30 years learning and practice in the area of English speech training and voice coaching.

The online training is made up of four dynamic and interactive components:

1 Weekly 10-15 minute online TV training programme hosted by a professional voice coach.

2 Downloadable exercises based on the training programme to **practice each day** (can be printed).

3 Downloadable recordings to assist and model **daily practice** (may be copied to iPod or CD).

4 Speech assessment option available any time, with CERTIFICATE for **achieving excellence**: simply plug in a microphone, take the test and receive a graded report.

By combining these components, you bring two important forces into play: IMMERSION LEARNING and CONTINUOUS EXPOSURE.
